The Rules of The Association of Hydraulic Services Consultants Australia Queensland Inc, state under rule 5, subrule 4c, that:

"An Affiliate member shall be a manufacturer or distributor of plumbing or allied products whose principals have no financial interests in a plumbing contracting firm. It is entitled to advertise in the Association's Newsletter for a prescribed fee as determined from time to time by the management committee, is entitled to hold seminars for the benefit of the Membership, and is entitled to include technical articles in the Association's Newsletter at no cost. The Committee shall decide what constitutes a technical article, and their decision shall be final and binding. An Affiliate Member has no voting rights."
