AHS Partners Council Message

Welcome to AHS Certified Accountants. Since our establishment, we have been guided by a simple yet powerful belief: sustainable success is built on trust, professionalism, and an unwavering commitment to quality.

Our commitment extends beyond delivering professional services. We are equally committed to investing in our people, embracing technological advancement, strengthening governance practices, and contributing to the development of the accounting and advisory profession in the Kingdom of Saudi Arabia.

As we continue our growth journey, we remain dedicated to maintaining the highest professional standards while delivering practical, value-driven solutions that help our clients navigate complexity, seize opportunities, and achieve their strategic objectives with confidence.

In an increasingly dynamic business environment, organizations require more than technical compliance. They seek trusted advisors who understand their challenges, anticipate emerging risks, and help create long-term value. At AHS, we strive to fulfill this role through the delivery of independent, objective, and high-quality professional services that support sound decision-making and organizational success.

We take pride in the trust our clients place in us and regard every engagement as an opportunity to build a lasting partnership founded on integrity, transparency, and mutual success.

We thank our clients, professionals, regulators, and business partners for their continued confidence and support, and we look forward to achieving greater success together.

OUR TEAM

Partner

Abdullah Alsudais

Has a Bachelor of Science Degree in Accounting from King Fahd University of Petroleum & Minerals (KFUPM). Certified Public Accountant (SOCPA) with over 11 years of experience in audit, zakat, tax, and zakat/tax dispute resolution. Held distinguished positions in the General Secretariat of the Zakat and Tax Committees, where he was a founding member. Previously served at Ernst & Young, gaining broad experience in audit and financial advisory across multiple companies.

At the General Secretariat, Abdullah led a specialized team that handled over 10,000 cases between taxpayers and the Zakat, Tax and Customs Authority, and served as Senior Advisor to the Zakat and Tax Committees.

Partner

Ali Alsudais

Holder of a Bachelor of Science degree in Accounting from King Saud University. Certified Public Accountant (SOCPA) with over 9 years of experience in audit and financial management. Previously worked at major firms including Ernst & Young, where he led audit engagements for many companies in the Saudi market. Also served as Head of the Financial Reporting team at Thiqah Business Services.

Ali is known for his deep experience in leading teams and delivering comprehensive audit solutions aligned with the highest professional standards

Partner

Hasan Alsuhebany

Holder of a Bachelor of Science degree in Accounting from King Saud University. An expert in audit and advisory with over a decade of experience across the private and public sectors. Started his career at Ernst & Young in 2015 as a Senior Auditor through 2020, leading complex audit engagements with a focus on banking, transportation, and entertainment sectors.

In 2020, Hasan moved to the Local Content and Government Procurement Authority as Local Content Audit Manager. In this strategic role he played a central part in designing the national Local Content measurement methodology a framework now key to assessing and strengthening the retention of economic value within the Kingdom. Hasan is a US-licensed CPA and a licensed member of SOCPA.

Director

Osama Baker

Certified financial manager and ISO 9001 certified internal auditor, with over 25 years of experience in accounting and finance. Has worked across major Saudi companies in multiple sectors, including logistics, manufacturing, trade, and technology.

Osama currently serves as Head of Accounting Advisory at AHS, providing services to more than 30 clients across diverse sectors in the Saudi market.

Director

Abdulmanan Khader

Holds a Bachelor's degree in Accounting and has over 17 years of practical experience in forensic accounting, estates, and company liquidation. Has worked with several licensed accounting firms in the Kingdom and prepared over 500 forensic reports submitted to judicial and quasi-judicial bodies in Saudi Arabia.

Abdulmanan has also completed numerous specialized courses in forensic accounting, bankruptcy, and financial reporting — enhancing his expertise in delivering accurate, effective solutions for complex financial cases.

Director

Dr. Mohamed Ali Mirghani

Professor of Accounting, holding a Doctor of Business Administration (DBA) in Accounting from Indiana University, USA, and a CISA certification from ISACA. Brings 45 years of management advisory experience, blending academic and executive roles across leading institutions in the United States and Saudi Arabia.

Specializes in management advisory engagements covering organizational and financial restructuring, comprehensive governance, ERP implementation, and internal control systems in both manual and digital environments. Also contributed to developing audit standards at the Saudi Organization for Chartered and Professional Accountants (SOCPA).
